Helping Our Community

Firstcallhc.com

FirstCall HomeCare was established in 2001 by 2 critical care nurses who had a vision of delivering top quality health and home care to those in need. Their hope and now the staff's mission is to aid in enhancing the quality of life so that clients and patients can remain independent and strong.

By making FirstCall your first choice you will receive the level of care that you or your loved ones are entitled to.

Testimonials

Richard says, "Aide does a real good job for me, I can't do a lot of stuff but she takes care of it for me and reminds me to check my blood sugars, which I forget to do. She's really a good worker."

Carla says, "I get good service and the workers are all very nice and helpful."

Barbara says, "They are so caring and so nice. I wouldn't change a thing. Thank you for caring."

After Hours

Our staff is available to our patients 24 hours a day, 7 days a week for your convenience. Just call (816) 373-9688 and after business hours simply press 1 for the after-hours on-call coordinator.
